News Release from Vice Chair Perla Tabares Hantman

December 15, 2009

Ms. Perla Tabares Hantman, Vice Chairman of the School Board, was appointed to serve as Co-Chair of the Miami-Dade County Complete Count Census 2010 Committee. As Co-Chair of the Committee, Ms. Hantman contributes her years of leadership and experience collaborating in the operation of the Committee, in the development of a subcommittee structure – for example: government, education, faith-based, media, community based organizations, business, and recruiting -- and as a liaison or source of contact between the Complete County Committee and the United States Census Bureau. Previously, Ms. Hantman served as Co-Chair of the 2000 United States Census Count for the City of Hialeah.

The purpose of the Miami-Dade County Complete Count Census 2010 Committee is to educate and motivate all persons living in our community about the importance of responding to the Census. The school district plays a unique role in ensuring that the Census counts as many persons as possible by informing parents, students and employees of the importance of the Census and encouraging participation by all.
