Mae M. Walters Elementary School - Teachers and students came filled with excitement to start a new school year.

Hialeah Gardens Middle School - Thanks to the generosity and sponsorship of Mr. Stuart Wyllie, President of the Graham Companies, it was possible for the school to purchase "Summer" a miniature Zebu cow. Summer will be competing this coming year at the Florida State Fair in the Miniature Cow Category.

Hialeah Miami Lakes Senior High School - started this school year with the continued expansion of their iPrep Academy. After a great inaugural year, iPrep grew by an additional 130 technological-advantaged students. Phase two of the renovations was completed with additional classrooms and study areas added to the program.
