March 17, 2014

Miami-Dade School Board Chair Perla Tabares Hantman honored the United States Attorney for the Southern District of Florida, Wifredo A. Ferrer during a special recognition at the School Board Meeting of March 12, 2014.

“Mr. Ferrer’s Violence Reduction Partnership is a shining example of community involvement in action and he is truly our partner in education,” said Ms. Hantman. “I am so pleased that he could join us today to accept this recognition in honor of his advocacy and many contributions to the students of South Florida and our community.”

Mr. Ferrer, a graduate of Hialeah-Miami Lakes Senior High School, launched the Violence Reduction Partnership, in 2011, aimed at reducing crime in areas of South Florida that are prone to crime. One of the partnership’s goals is to build educational partnerships in order to mentor children, create jobs, rehabilitate offenders, and eradicate crime and violence.
