

PAYROLL PROCESSING SCHEDULE – FISCAL YEAR 2013-2014

This important Schedule should be kept for future reference throughout the fiscal year, and a copy given to every staff member involved in the payroll function at your location.

The following will assist you in utilizing the Payroll Processing Schedule:

SAP PAY PERIOD #: This column indicates the “pay period number” for SAP payroll reporting purposes. On the “Report Time” screen, the **Payroll Period** is indicated in the first section. You may change the date range by entering a different **Period** number, and therefore, report time for a different pay period.

PAY PERIOD From - Thru: This column indicates the period being paid. The payroll periods for the District begin on a Friday and end on a Thursday.

DAILY PAYROLL ATTENDANCE SHEETS AVAILABLE ON-LINE: Please note availability dates and be sure to print your Payroll Attendance (Sign-In) Sheets on time!

FINAL ROSTERS APPROVED: This column has been highlighted! This is the date that all work locations **must** approve their payroll.

PAY DATE: This column indicates the date of the pay check or advice (direct deposit).

The remainder columns are either self-explanatory, or for internal use.

For information on optional (opt) days during the school year, please refer to the School Calendar.

Additional important payroll changes:

Please be reminded that in SAP, the “accrual period” for sick and/or vacation leave **is a calendar month**. Leave quotas are calculated and accumulated **on the LAST DAY of the calendar month**.

At the end of each calendar month, full-time employees that receive payment for eleven days or more during that calendar month will “earn” **one (1) sick day**.

NOTE: Since four (4) days are credited in the first month of the fiscal year, no additional days are credited after the “seventh accrual month” for 10-Month employees and after the “eighth accrual month” for 12-Month employees.

At the end of each calendar month, full-time 12-month employees that receive payment for eleven days or more during that calendar month will “earn” **one (1) vacation accrual**.

NOTE: Those employees with vacation days reaching maximum accrual balance, must use vacation days **on or before the LAST WORKDAY of the calendar month**, in order not to lose the accrual for that month.

The leave accruals are stated in the collective bargaining agreements.
