## District 4 Highlights

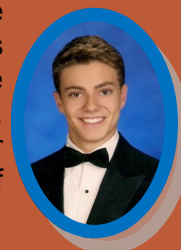

- This summer, Ben Sheppard Elementary has offered a variety of exciting activities for more than 60 boys and girls participating in the Camp Super STARS program. Daily activities include an academic morning rotation where students work on STEM activities, participate in math and reading enrichment, and tend to the school garden. The afternoons are dedicated to field-trips, art projects and indoor/outdoor games.

- M.A. Milam K-8 Center, located in Hialeah, is holding an instructional summer camp to eligible third graders. Third grade students from neighboring schools are also attending the center. All the students are given the opportunity to strengthen their reading skills under the leadership of the principal, Ms. Anna M. Hernandez.

- Mr. Bryan Benaiges is one of this year's recipients of the Key to the Town Scholarship. The Town of Miami Lakes teamed up with the Education Advisory Board and The Graham Companies to offer two scholarships this year. Mr. Benaiges is a graduate of Barbara Goleman Senior High School and will be attending Georgia Institute of Technology in the fall.
