*Looking ahead with great anticipation to all that the New Year has to bring, my thoughts turn to our Miami-Dade County Public Schools' family. As Chair of the Miami-Dade County School Board, I want to take this opportunity to express my appreciation to our incredible administrators, teachers and all employees for all you do on behalf of our children, parents, and the community. You are true professionals and I am sure that you will continue to provide our students with an excellent educational experience and a secure environment in our schools. I wish you and your families the very best for a productive and healthy New Year.*
