District 4 School Highlights

Lawton Chiles Middle School - The Sunshine State Young Reader's Award Program (SSYRA) is a statewide reading motivation program for students in grades 3-8. The program, co-sponsored by the School Library Media Services Office of the Department of Education and the Florida Association for Media in Education (FAME), began in 1983. The purpose of the SSYRA Program is to encourage students to read independently based on interest rather than reading level. The SSYRA requires participating students to read at least three of the nominated books. This year, we had 23 students meet that goal and two students read all of the books!
