Ms. Ingy Cruz, teacher, and Miss Kaylen Grass, eighth grade student at Bob Graham Education Center, were selected to participate in the Civics Renewal Network's Constitution Day program in Washington, DC. Partner organizations in the Civics Renewal Network chose one teacher and one middle or high school student from each of the 50 states and the District of Columbia to be recognized for an exemplary civic project. The Civics Renewal Network provided this opportunity to showcase students' projects and highlight the importance of civics education in schools.

School Board Chair Perla Tabares Hantman, Superintendent of Schools Alberto M. Carvalho and other education, civic, and community leaders were honored by the National Association for Bilingual Education (NABE) at the Educational Leadership Awards Luncheon on Saturday, October 25, 2014. Honorees at the event were recognized for having made a difference in the lives of Florida bilingual learners and their families. The National Association for Bilingual Education is a non-profit organization working to ensure that language-minority students have equal opportunities to learn English and succeed academically.
